About Me:

The night is long and cold... time to get cozy! Watch the boat traffic from our waterfront "getaway" in the city? Take in the view of your own living room fireplace? I can also host at a lovely Capitol Hill apartment complete with a full kitchen, and a sofa to snuggle on.

I make my home in the Pacific Northwest, and travel by special request. Do you want me to come to your city? Invite me!

Emotionally mature men always welcome. Show me you are ready to make the effort to connect beyond a quick text message.

My heritage? An American jumble of European roots... but my eyes are 100% Irish. The genetic lottery awarded me ivory skin, an abundance of dark, glossy hair, and a naturally thick figure. My warm smile is the promise of a joyful time.

The outdoor selfie is what I look like with only a tiny bit of eye makeup and lip color. The rest is great

genetics and a great skincare regimen.

Gentle screening for all new clients. Your introduction will land in an encrypted account on a secure server, and you will receive an immediate reply with instructions.
