About Me:

I am Isabelle, your exotic courtesan of Latin and European descent. As an intimate girlfriend, taking in a warm sunset over a glass of champagne is a great way to begin a spectacular evening. Call me a bon vivant if you must but dining together is a most sensuous experience. Midnight could easily spill into dawn with lust lingering in our voices after a night of aphrodisiacs.

With impeccable manners, an easygoing personality and a secret propensity for naughtiness, I am every bit a lady from start to finish. Flowing blonde tresses look spectacular cascading down my back with curves adorned in elegant lingerie. Impossibly high heels and fine jewelry often complete an outfit when the boudoir calls. Why overdress? My ideal height of 5'3" and physical coordinates of 34Dx24x36 complete an irresistibly sexy demeanor in tight jeans, a cocktail dress or swimsuit. The soft, floral scent of my creamy skin will be enough to drive you mad with desire.
