#### About Me:

My name is Natalia Montana & I'm just your well-above girl next door that reigns over your fantasies. If I had to describe myself I guess I'd have to say that I am bubbly, fun, entertaining, (not the least bit modest), and a lover of all things indulgent and coveted.

Allow me to take you on an adventure, free you of the confines of a rigidly scheduled life, and allow you to relish on that thing we all miss and chase in our adult lives: absolute carefree fun.

Our saga begins when you first lay eyes on me. I'm a vision to behold, better than you even imagined. I'm always dressed in whatever makes me feel sexy yet at home. Then again always manicured, primped, and polished.

It is not long before you are thoroughly charmed by my quick-witted dry humor, bright brown-eyed gaze, and coy smile.

That's how it all begins, but where it goes from there is entirely up to us.

The people I keep around in my life are truly amazing and I hope to add you to that list. With me you'll find an intriguing blend of a classic lady and with an unconventional flare. I love to be wooed by a gentleman that loves to impress, pamper, and court his dream date & I make no apologies about living a very charmed lifestyle that I have grown to expect & have been able to create for myself.

Though I hold myself in the highest esteem, I make no room for arrogance and aim to make you feel at ease, relaxed, and make you laugh until you cry.

I like to hold myself accountable to the fact that every single day I'm changing, growing & learning something new. Every day is a new day that I'm breaking waves of change. My whole life I've always dreamt of what living with no filter would look like, meaning doing what I pleased when I pleased & how I may be able to impact those around me for the better. I'm glad to say that times have changed & that's exactly what I'm doing now.

I could go on, but I prefer to leave the rest to mystery...!

I hope to see you soon! But... Until we meet!  
Take Care,

Xoxo
